We have audited the accompanying balance sheets of Bass Creek Advisors, Ltd. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audits.

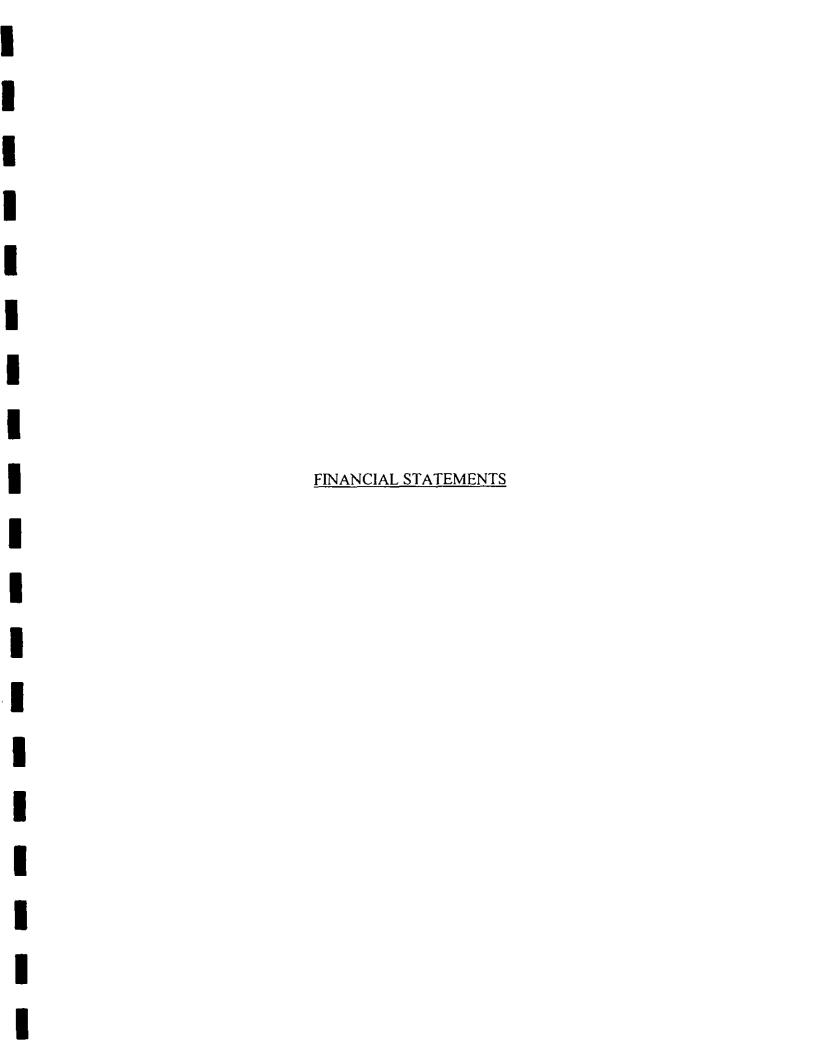

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Bass Creek Advisors, Ltd. as of December 31, 2007 and 2006 and the results of its operations and its cash flows for the year ended December 31, 2007 and the initial period from March 28, 2006 to December 31, 2006 in conformity with accounting principles generally accepted in the United States of America.

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The accompanying schedule on page 7 is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2007 AND 2006

1. NATURE OF OPERATIONS

Bass Creek Advisors, Ltd. (the Company) is registered with the United States Securities and Exchange Commission as a broker/dealer pursuant to Section 15(b) of the Securities Exchange Act of 1934 and a member in the Financial Industry Regulatory Authority (FINRA), formerly the National Association of Securities Dealer, pursuant to Rule 1014. The Company acts as placement agent for private equity and hedge fund shares to qualified US institutions and accredited investors.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This summary of significant accounting policies of Bass Creek Advisors, Ltd. is presented to assist in understanding the Company's operations and financial position. The financial statements and notes are representations of the Company's members who are responsible for their integrity and objectivity. These accounting policies conform to generally accepted accounting principles and have been consistently applied in the preparation of the financial statements.

Cash and cash equivalents

For purposes of the statement of cash flows, the Company considers all highly liquid debt instruments purchased with an original maturity of three months or less to be cash equivalents.

Credit risk

The Company maintains cash in bank deposit accounts which, at times may exceed federally insured limits. The Company has not experienced, nor does it expect any losses in such accounts.

Accounts receivable

Accounts receivable are uncollateralized customer obligations due under normal trade terms which are stated at the amount billed to the customer. Management reviews all accounts receivable balances past due and based on an assessment of current creditworthiness, estimates the portion, if any, of the balance that will not be collected. At December 31, 2007 and 2006, however, in the opinion of management, all accounts were considered fully collectible and no allowance was necessary.

Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2007 AND 2006

Management fees to members

Management fees to members that are intended as reasonable compensation for services rendered are accounted for as Company expenses rather than as allocations of the Company's net income. The Company is currently working under an agreement with a private equity fund manager to act as its placement agent. The agreement calls for monthly retainer fees to be paid to the Company as well as additional fees at closing based upon performance of the Company.
